CITATION NO. 01_75_16C_012_4500101_23 FOR LAKE SHASTA PINES RV PARK & CAMPGROUND WATER SYSTEM NO. 4500101 OCTOBER 2016, FAILURE TO MONITOR FOR BACTERIOLOGICAL WATER QUALITY

The Lake Shasta Pines RV Park & Campground Water System is classified as a small community public water system which is required to collect one routine sample per month for coliform bacteria as prescribed under Sections 64423 and 64424 of Title 22, California Code of Regulations (Title 22). During October 2016, Lillian Lewis and Lake Shasta Pines RV Park & Campground Water System did not submit a copy of a laboratory analysis to this office for review by November 10, 2016, or did not collect its routine bacteriological water sample from the distribution system. Therefore, this Citation is being issued to the Lake Shasta Pines RV Park & Campground Water System for violating the bacteriological monitoring and reporting requirements for October 2016.

The Lake Shasta Pines RV Park & Campground Water System owner is hereby directed to take the following actions:

1. As required under Section 64463.7 of Title 22, provide public notification to customers within one year of this notice of violation. Enclosure 'A' is a format you may use to fulfill the above public notification requirements. If you wish to propose any change to this notification, please contact our office.
2. Provide two types of public notification: 1) Posting in conspicuous locations throughout the area served by the water system; and 2) mail or hand deliver copies to each water user.
3. Complete and return Enclosure 'B' "Certification of Completion of Public Notification" form within 10 days of giving public notice.
4. The Lake Shasta Pines RV Park & Campground Water System representatives shall comply with Section 64423, Title 22, CCR, in all future monitoring periods.
